Take-home: Objective 1: sear and braise
Section 1: the sear

A lesson pack prepared from a Coursebook lesson.

Course: Braising at home
Lesson: Section 1: the sear
Objective: Objective 1: sear and braise
Target: production
Edition: parent

The source course is unchanged; this pack prints the lesson exactly as it was validated.

Parent guide - Section 1: the sear

Objective: Objective 1: sear and braise
Evidence target: production

Course goal: Braise short ribs at home without a pressure cooker.

Lesson intent
Sear first, then braise.

What the learner will do
Choose the moment that actually sears the meat.

Worked example
The pan is only warm.

1. Wait until the oil shimmers
2. Lay the ribs away from you

Parent note
No authored parent note for this lesson.

Narration script
Browning builds the flavour the braise carries for two hours.
Watch the oil, then lay the ribs away from you.

Success criterion
Criterion 1: browns the meat on every face

Provenance

Section 1: the sear

Why the sear matters
Browning builds the flavour the braise carries for two hours.

Do this next
Watch the oil, then lay the ribs away from you.

Worked example
The pan is only warm.

1. Wait until the oil shimmers
2. Lay the ribs away from you

What to notice
Choose the moment that actually sears the meat.

Your turn
In one sentence, describe the moment the ribs go in.

Write one sentence.

What success looks like
Criterion 1: browns the meat on every face

Answer guide - parent only

Section 1: the sear

Objective: Objective 1: sear and braise

Reference answer
REFERENCE-ONLY: shimmers before the meat goes in

Rubric
1. RUBRIC-ONLY: browns every face without crowding

Worked example answer
Wait for the shimmer
